SIR,

Cen 1-31-9

I have the honour to state that the Census Commissioner for India has issued instructions that the Table showing unemployment of educated persons which was previously prescribed as an Imperial Table (Table XII) will be treated as an optional table and that it need not be printed in the Tables Volume if local Governments should so decide and that the figures might be given either in an appendix or a subsidiary table to the occupation chapter of the report. The figures obtained by the Census are not very reliable and are not likely to be of much value. I propose therefore to make use of the option given by the Census Commissioner and omit this table from the Tables Volume presenting the figures as a subsidiary table in the report. I request that approval of Government may kindly be obtained to this course.

I have the honour to be,

Sir,

Your most obedient servant,

M. Venkatesa Iyengar

Census Superintendent.
